

## **Hall Of Fame Nomination for Chuck Smith, Senior Vice President SACU**

Alamo CPI is proud to nominate a non-member as a Hall of Fame nominee.

Charles (Chuck) Smith, Senior Vice President of SACU's Lending Division, whose support, has been instrumental in keeping Alamo Credit Professionals International a viable local club.

Chuck has supported Alamo CPI in many ways over the last 6 years. A few examples includes; allowing Alamo CPI to host our district conference on company time in a meeting room here at the main office of SACU, graciously sponsoring our District Conference luncheon and allowed non-member employees to attend as our guests.

Chuck has also supported Alamo CPI's FCRA accreditation classes by allowing the staff to attend the training, paying the cost of accreditation and even the allowing us to use the PC Lab at SACU to hold the classes.

Chuck has allowed our board meetings to be held at the main office and paid the cost of the lunch if needed.

He has allowed us to travel at SACU expense to International conferences; recognizing the training and network opportunities we have gained over the years.

Chuck has attended our annual December dinner/luncheon award meetings where we recognize CPI of the year, present our scholarships and award Boss of the Year.

His support of our organization has allowed us to maintain a membership count of 9 SACU employee members for our club and district.

We respectfully submit Charles Smith for our Hall of Fame Nomination.

Sincerely,

Rex Somerville  
Lone Star District 8 President  
Alamo CPI President
