Mary Posch
Secretary, Alamo CPI

My nomination of Mary Posch for Credit Professionals of the Year is based on my observation of her contribution to our organization. Mary became a supporter of CPI in 2004.

Mary can be counted on to serve as an officer and/or committee member at club and district when needed. She currently serves as our Secretary and is a committee member on the By-Laws and Conference committees for both Local and District. She supports CPI by contributing to our goody bags and bringing door prizes for the members and guests in attendance.

She is tutoring a Vietnamese-American girl in reading and spelling, is a committee member for Woman's Journey Retreat, and is sponsor for several Al-Anon members, and serves as Treasurer and Group Representative to name a few of her community activities.

She has supported our efforts with the San Antonio Food Bank during our Make a Difference campaign. She has sold raffle tickets for many of our fundraisers.

She always wears a smile and maintains a professional attitude. Alamo CPI is blessed to have her as a member and I am proud to nominate her as CPI of the Year for 2013.

Sincerely,

Pat Evans
CPI Past International President
