

MARKETING REPORT

Utilizing social networks such as Facebook, We have been busy supplying you and your members with educational articles as well as information on what we are doing in our Districts ,Local Associations as well as the International Association. Many thanks to Cindy Westenhofer, Rhonda McKinney and Michelle Rocher for all of their hard work. This is a great avenue for letting everyone know who we are and what we do. Are you as a member helping their efforts by telling everyone about your association?.
