

For: Strategic Planning Meeting  
Committee: Ways and Means  
Proposed Project: 50/50 Raffle

Lori Churchwell and I, co-chairman, collaborated with Las Madrugadoras' own Ways and Means guru Marylyn Tack. Rather than trying to "reinvent the wheel" we thought that the 50/50 raffle probably works the best. In our area it is next to impossible to get a donation of a significant type of item to raffle—plus then there are the logistics of getting said item to the winner. Money is pretty much a "one-size-fits-all" and very easily transferred to the winner!

We propose that we kick the raffle off on January 1, 2017 and run it straight through to June and have the drawing at conference. This way we are only hitting people up once (so hit them hard!).

So for now, relax and enjoy the holidays but be ready to sell, sell, sell once the New Year rolls in! Also, it is suggested that the tickets will be priced at \$5 each or 5 for \$20.

Respectfully submitted by: Connie Hamilton and Lori Churchwell
