

## **CAREER CLUB**

Founded in San Francisco, 1954, by Past International President Francie Rowe. The first annual Career Club meeting was held June 21, 1955 in Louisville, Kentucky.

**NAME:** Career Club is a prestigious part of Credit Professionals International, which is a non-profit organization headquartered in St. Louis, Missouri.

**PURPOSE:** Career Club is a socially oriented club, honoring CPI members who accumulated twenty-five (25) years of dedicated service to the credit industry thus displaying an interest and loyalty to their chosen vocation.

**MEMBERSHIP:** Membership requirement of twenty-five years need not be consecutive. After acquiring membership, inactivity or retirement need not cancel membership. The CPI member shall complete an application form for verification and submit it to the CPI office in St. Louis.

**OBJECTIVES:** Being worthy of attention, the objectives shall be to give recognition and to honor those Credit Professionals who have experienced lengthy service in the credit profession; to provide an example of the value and importance of CPI; to stimulate attendance at the International and District conferences and to have local association meetings.

**BENEFITS:** To be given recognition on and off the job; to gain self-improvement through active participation; to meet people in the credit field that are contacted by phone or letter; and to form friendships.

**MEETINGS:** An annual meeting shall be held during the International Conference for the purpose of meeting friends and electing officers. The officers shall be a president and secretary, nominated during the annual meeting and elected by vote of members in attendance.

**DUES:** There are no dues for the Career Club organization. CPI has available a Certificate of Membership.
