

2011 Lee Ann Seale

Lee Ann gives 100% of herself in whatever she volunteers for. She leads by example and has a heart of gold.

She is a true asset to TEAMSACU, CPI and our club and we are honored to have her as our "friend".

Respectfully submitted by,

Pat Evans *Linda Simbeck*

Pat Evans, *MPCE*

Linda Simbeck, *CFE, MPCE, BSACS*

Our nomination of Lee Ann Seale for Credit Professional of the Year is based on her tireless effort that she provides year after year to promote CPI and support us at Club level, District level and International level. Lee Ann joined CPI in March 14, 1997, as a supervisor in our collections department.

She demonstrates loyalty and commitment to both CPI and San Antonio Federal Credit Union. She is someone that you can count on when you are putting together a fundraiser and she can organize a raffle table like no one else.

Lee Ann is also the primary care taker for her parents and is often off to the country to wrestle with cows and other livestock. There is no country task too big for her and she is most comfortable in a country setting.

This year Lee Ann served on the following committees:

- Audit
- Budget
- Website Management
- Ways & Means
- And as every year since we created the Jeopardy Education Game she was part of the team that prepared and presented during Education Month
