

CPI's VISION AND MISSION

- **Our vision** is to be an innovative, member driven association, making positive contributions within the credit industry
- **Our mission** is to support the members of Credit Professionals International by providing opportunities for networking, career development and community involvement.

WHO CAN BECOME A CPI MEMBER?

Membership is open to any person employed by or retired from a business engaged in credit, collection or financial activities.

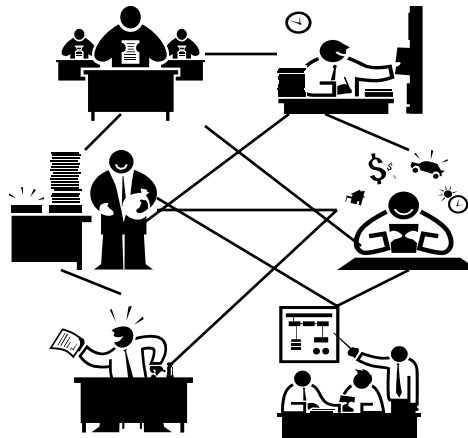

CPI PURPOSE AND HISTORY

In 1937, CPI was established as an international association for those who work in the credit industry. CPI's focus is on strengthening the industry and the individual through education and interaction.

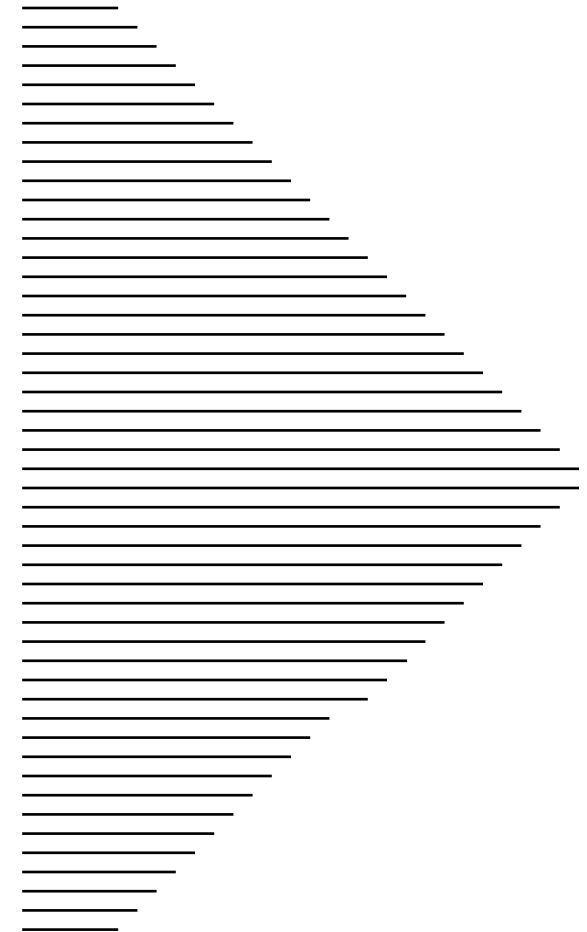

Make the Connection

- ◆ Build a Professional Network
- ◆ Access New Information
- ◆ Expand your Social Circle
- ◆ Learn New Skills

- Connect with others who share a common interest. Build on those relationships to create a network.
- Learn new business skills, or improve on your existing ones.
- Learn new information through seminars and guest speakers that pertain directly to your industry.
- Gain a competitive edge by polishing your communication skills.
- Form a new social circle and meet new friends that already share a common interest.

DUES

- **Local Association Members:** Pay \$80 International dues plus any local, state and district dues.
- **At Large Members:** Pay \$80 per year dues which are paid directly to our corporate office. These are members who used to belong to a local association that has now disbanded. They may also be responsible for paying district dues if they are in an existing district.
- **Direct:** Pay \$80 per year dues, which are paid directly to our corporate office. These are members who have never belonged to a local association.
